

# LTB Commemorative Brick Fundraiser

## Help Us Reach Our Goals!

This is your chance to become a permanent part of Lions Tigers & Bears. Share in our excitement by purchasing a commemorative brick to be placed in a prominent location near the big cats of Lions Tigers & Bears.

These bricks are a great way to recognize children, grandchildren, marriages, and other special events, or a lasting memorial for a loved one or pet. They're also unique gifts, and perfect for any occasion.

4"x8" Brick also Available with clipart

8"x8" Brick available with clipart corporate logo

## Contribution Opportunities

With each \$100 contribution, your name or the name of a special friend, family member, or a beloved pet, will be engraved on a 4"x8" brick. For a \$250 contribution, a larger 8"x8" brick is available. A 4"x8" brick will accommodate a maximum of 20 characters per line and up to three lines of text. The 8"x8" brick accommodates up to 6 lines of text. An option to include clipart is available (may reduce available lines/characters).

Those who wish to make a more significant contribution to LTB may purchase a \$500 brick. For this donation an 8"x8" brick will be engraved with your corporate logo.

By combining several bricks, a brick "array" is also an option for our most generous contributors.

Your brick donation is tax-deductible. Brick inscriptions are subject to approval by Lions Tigers & Bears. With the exception of duplicate bricks, bricks are the property of LTB for installation at the LTB ranch in an area accessible during member visits.
