The mess that is 'Tiger King' and big cat rescue with Bobbi Brink

[This Wild Life Conservation Podcast](#)

June 1, 2021

This week we talk with Bobbi Brink, founder of the 'Lions, Tigers and Bears' Sanctuary in California. Bobbi provides a captivating and powerful insight into the brutality of the Exotic Pet Trade. The episode covers a range of topics including how Bobbi started the sanctuary, the challenges she faced and the process of rescuing an animal from the exotic pet trade. Bobbi also outlines her recent encounters with Joe Exotic, from the Netflix series 'Tiger King', she discusses the risk to human life when holding these species captive and talks about the psyche of people who own these species. It's a fascinating episode and not one to be missed!
