Re: Jay Owenhouse Decision to Remove Tigers from Las Vegas Magic Show

From Bobbi Brink, Founder and Director of [Lions Tigers & Bears](#):

“I’m glad to see that Jay Owenhouse has recognized that exhibiting tigers in a magic show is a thing of the past. It’s important that we’re a voice for these animals, and we speak up for them when they’re in danger of being treated like less than a majestic, wild creature. It’s dangerous to the public and the animals to use a large predator as a public performer – and we’re relieved that Owenhouse made the right decision to keep them out of the magic show.”
