Bobbi Brink on Joe Exotic and How You Can Save Animals in Need

APRIL 1, 2020

JOHN & TAMMY IN THE MORNING

Bobbi Brink is the founder and director of Lions Tigers and Bears in Alpine and has devoted her life to saving animals big cats and bears that are victims of the exotic animal trade and road-side attractions. The tigers you see in "Tiger King" that

live in small for-profit zoo like the one Joe Exotic runs are the kind she is working to rescue. Right now Tigers, Lions and Bears needs your help to keep their animals fed as they had to close due to the coronavirus. Bobbi talked to us about how you can help and where to tune into their daily **Facebook live** videos to check in with the animals. She also gave us the scoop on her interactions with Joe Exotic himself!

For more information on how to help check out their website lionstigersandbears.org.
